[Council to Colo. Henry Hollingsworth]

Sir Yours of the 30<sup>th</sup> Ult<sup>o</sup> p Giles, we have received and are glad you have been relieved from the Major Part of the Horses delivered to you; those that are judged to be unfit for public Use, we wish you to have pastured on the best Terms you can. As the Assembly will meet next week we must wait their Determination to know what will be done with them, in the mean Time, we think, as little Expence ought to be incurred as possible, without injuring the Horses, and, if it was in our Power, would most readily relieve you from the Expense and Trouble of them, but cannot, now, order them to be sold in the manner you point out. M<sup>r</sup> Lee & M<sup>r</sup> Gilpin inform us they have Horses and Waggon which were procured for the Public, if they are such as are fit for Service, you will receive and have them delivered to the Continental Quartermaster in this State Liber C C
